Catholic University of Ireland

Certify that

Mr. _____

attended a Course of Lectures

on _____

delivered by _____

which commenced the day of _____ 18

and terminated the day of _____ 18

Cecilia Street, Dublin

Medical Registrar.

Date of Issue _____

8. The Catholic University Medical School, Cecilia Street. In use from 1855 to 1930, when it was replaced by the present temporary Anatomy building at Earlsfort Terrace. The Medical School was the most vigorous and successful part of the Catholic University, and for a long time it made up half the numbers of the present College.
